

RETURN CONDITIONS

At 71workx we use a return period of 14 days. You can feel, try on and view the products as in a physical store, but return and package them neatly as you received them. The following conditions apply:

- You do not have the item for longer than 14 days after receiving your package;
- The items are unused and undamaged (no dog and cat hair, etc.);
- The items are provided with the original attached cards and packaging;
- You pack the items in an outer box or bag. (For shoes, pack them in the shoe box and then an outer box/bag as supplied);
- Hygiene items such as underwear whose seal has been broken after delivery cannot be returned;
- The products are not personalized (by means of printing or embroidery)
- As you understand, some items cannot be returned: Items that can no longer be returned for hygiene reasons when the seal of the packaging is broken.

If our return conditions are not met, costs will be charged to the buyer.

We recommend that you always carefully open the shipping box and the original packaging, so that you can use it again to return the order.
